

# Advice for patients who have been referred to the Ambulatory Care Unit (ACU)

You have been referred to Ambulatory Care Unit. A member of the team will contact you by the next working day \_\_\_\_/\_\_\_\_/\_\_\_\_

## What you should do next

- Ensure your mobile phone is switched on in order to receive a call back.
- Following a telephone consultation you may be required to attend the same day. You will come to the Acute Assessment Unit (AAU) (zone A, location A4). Ambulatory Care Unit is situated within AAU.
- If you are waiting for a scan, this may not be the next working day. The scan request will be confirmed by the radiology department, the date and time will be confirmed with you.
- If you have not received a telephone call from a member of the ACU team by 12.00pm. Please ring: **01535 294588**
